

April 17, 2010
Earth Day/Bay Day Adventure Challenge
Youth Odyssey, Inc.

Time: 1-2 hours, depending on the number of participants.

Location: Cole Park south of vendor booths.

Teams: 2 person teams

Distance: 1.7 Miles

The Adventure Challenge will take place as part of the Coastal Bend Bays Foundation's Earth Day-Bay Day celebration at Cole Park. The Earth Day-Bay Day celebration is an educational and outreach festival, which is free for all Coastal Bend residents. An estimated 10,000 visitors attended in 2008. Coastal Bend Bays Foundation has been the host of this local event since 1999.

Start and finish lines will be south of the Earth Day-Bay Day booths in an area visible to attendees not participating in the challenge event. The turn around will take place at the southern most part of Cole Park.

The race will be approximately one to two hours long, depending on the number of participants. Teams will run the course, stopping at each challenge to complete it. Teams must complete all challenges to finish the race and receive their t-shirt. The event will be free of charge to participants and all proceeds and donations will go directly to Youth Odyssey.

The race will consist of running, teambuilding activities, obstacle course elements, and other mystery events. Participants will start at the same time and run or walk in between the different challenges. When they have completed a challenge they will get sticker showing they finished and can move on to the next challenge. When each team crosses the finish line, they must have all of the stickers showing that they completed every challenge. The fastest team in each age group will receive a prize and all participants who finish will receive a t-shirt and a goodie bag.

Youth Odyssey is still seeking sponsors for the Adventure Challenge event. Sponsorships can be either in-kind or monetary. All proceeds go to Youth Odyssey, a 501(c)(3) non-profit organization.
