Imagine a world without Youth Odyssey...

- **What happens if we don't raise this money?**

- It will lead to a decrease in staff, which leads to
- Decrease in programs, which leads to
- A significant decrease in number of teens impacted, and will lead to more teens "bored" and getting into trouble.

- **COVID19 action plan:**

- Working remotely
- Online programs through Twitch live stream
- Weekly check in calls to our teens and families
- Preparing for Summer Programming
